Personal information

Born June 16th, 1971, Italian Citizen, Italian fiscal code: CLFNLS71H56G713U.

Languages: Italian (mother tongue), English (reading, writing and verbal skills: level C2) and French (reading and verbal skills: level C1; writing skills: level B2).

Current position

October 2010 Assistant professor (“ricercatrice”) in Applied Economics (Italian code of the scientific field: SECS-P/06), Department of Economics and Management “Marco Fanno”, University of Padova

Qualified for the following position: Associate professor in Applied Economics (abilitazione nazionale 2012 – settore SECS-P/06)

Previous positions

March 2006 - September 2010: Research assistant at the Department of Economics, University of Florence

2002-2003: Research assistant at I.R.P.E.T. – Regional Institute for Economic Planning of Tuscany Region.

Membership

Member of the executive committee of the European Review of Industrial Economics and Policy (ERIEP), a journal founded by a consortium among the following journals: *Economia e politica industriale* and *l'Industria* (Italy), *Economia Industrial* (Spain) and *Revue d'Economie industrielle* (France). (<http://testrevel.unice.fr/eriep/>)

Member of the scientific committee of the “Incontri di Artimino sullo Sviluppo Locale” – Artimino Meetings on Local Development.

Member of the University Consortium in Industrial, Local Development and Internationalization policies c.MET05 (“Centro interuniversitario di Economia Applicata alle Politiche per l'Industria,

lo Sviluppo Locale e l'Internazionalizzazione”), a research consortium among the following universities: University of Florence, University of Ferrara and Marche Polytechnic University

Member of the university-industry joint laboratory “System-based strategies for innovation” (“Strategie di sistema per l’innovazione”), at the University of Florence

Member of the following learning societies: SIEPI (Italian Society of Industrial Economics and Policy), AISRE (Italian Association of Regional Sciences), ERSA, EARIE

Education

2006 PhD in Economics and Management, University of Florence (30th January 2006)

2001 Laurea in Economics, University of Florence (24th December 2001)

January-April 2009: Visiting scholar at the University of Birmingham, UK

April-July 2005: Visiting PhD student at the Zhongshan University, Guangzhou, China

April-June 2004: Visiting PhD Student at the South China University of Technology (SCUT), Guangzhou, China

Research Projects

Member of the following research projects:

January 2012

SMARTSPEC – Smart Specialization and Policy in European Regions. Member of the local research unit of the University of Padova, (EU 7th Framework Programme).

[HTTP://WWW.CARDIFF.AC.UK/CPLAN/RESEARCH/SMARTSPEC](http://www.cardiff.ac.uk/cplan/research/smartspec)

January 2012 – May 2014

PROFILI – Creation of a trans-regional platform for the improvement of the PPPs in the construction sector, EU INTERREG Project, Transregional Cooperation Italy-Slovenia.

http://www.ita-slo.eu/progetti/progetti_2007_2013/2012071011081463

March 2012-September 2013

The birth of new firms in the new competitive scenario, Project funded by the University of Padova

June 2011-January 2013

SHOEcoll - Analysis of the footwear market in Italy and Turkey. EU Leonardo da Vinci Project

May 2011-November 2012

NICER - Network for the Internationalization of Cluster Excellence in Regions, Subproject of the EU DISTRICT+ RFO, INTERREG IVC Programme. <http://districtplus.it/nicer>

March 2007 – March 2010

Analysis of university-industry networks involving Florence university. Project funded by the University of Florence and the Business Association of Tuscany

January 2008 – September 2009

The Italian local systems of innovation. Project funded by the University of Firenze.

January 2007 – March 2008

DSS-TEC - Decision Support Systems on Technological Clusters, Subproject of the EU DEPURE

RFO - Développement d'un système durable pour la prise de DÉcisions PUBliques au niveau RÉgional dans l'économie de la connaissance, INTERREG IIIC Programme,

<http://www.territorialcooperation.eu/frontpage/show/1906>

October 2007 – December 2007

Evaluation of the 2006 Regional Programme of Innovative Actions (RPIA) V.IN.C.I. , Project funded by Tuscany Region.

September 2006 – December 2007

PICTURE - Promoting Innovative Clusters Trough Urban Regeneration, subproject of the DISTRICT RFO Project, INTERREGIIIC Programme, <http://www.district-rfo.org/picture>.

March 2006 – September 2007

Monitoring and analysis of innovation networks in Tuscany. Evaluation of the SPD 2000-2006 of the Tuscany Region, Project funded by Tuscany Region.

January 2006 – September 2007

Industrial policies for the competitiveness of cities and urban networks in the future of EU Structural funds, Project funded by the Italian Ministry of Economy

January 2004 – June 2006

The China and Italy research and learning project: Clusters, industry and industrial policy. Project funded by: University of Ferrara, University of Florence, Polytechnic University of Ancona, South China University of Technology, Zhongshan University, Italian Consulate in China - Guangzhou, Italian Ministry of Foreign affairs, Italian Ministry of Education and Research, Tuscany Region, Emilia-Romagna Region, Lombardy Region, Italian Agency for China, Toscana Promozione, Consorzio Ferrara Ricerche.

July 2004 – December 2004

Monitoring and analysis of the EU Regional Programme of Innovative Actions 2003 implemented by Tuscany Region. Project funded by Tuscany Region.

Teaching

PhD courses

Course in “Industrial Economics and policy”, PhD in Economics, University of Firenze and University of Trento (a.a. 2012/2013, 2013/2014 e 2014/2015)

Specialization courses

Lecture on “Internationalisation in China”, Master in International business for small and medium enterprises – MIBS, University of Padova (a.a. 2013/2014)

Course in “Applied Economics”, Master in “Culture, Economy and Law for internationalization in China” (CEDIC), University of Firenze (a.a.: 2009/2010, 2008/2009 e 2007/2008)

Course in “China’s Economic System”, Master in “Society and Economy in Contemporary China”, Scuola Sant’Anna di Pisa (a.a. 2005/2006)

Courses at master level

Course in Industrial Economics, 9 CFU, (Italian scientific field: SECS-P/06), Laurea in International Economics, School of Economics and Political Sciences, University of Padova (a.a. 2012/2013, 2013/2014 & 2014/2015)

Course in “Public Policy for Competitiveness in a Global Economy”, Master Course ECIB, University of Birmingham (UK) (a.a.: 2010/2011, 2009/2010, 2008/2009, 2007/2008 & 2006/2007)

Course in Industrial Economics, 3 CFU, (Italian scientific field: SECS-P/06), Laurea in Economics, University of Firenze (a.a. 2010/2011, 2009/2010 & 2008/2009)

Course in Basic Social Network Analysis, Laurea in Local and Regional Development Policies, Faculty of Political Sciences, University of Firenze (a.a. 2007/2008)

Courses at undergraduate level

Course in Microeconomics, 4 CFU, (Italian scientific field: SECS-P/01), Laurea in Law and Economics, University of Padova, (a.a. 2013/2014)

Course in Basic Microeconomics, 6 CFU, (Italian scientific field: SECS-P/01), Laurea in Political Sciences and International Studies, Faculty of Political Sciences, University of Padova (a.a. 2012/2013 & 2011/2012)

Course in Microeconomics, 12 CFU, (Italian scientific field: SECS-P/01), Laurea in Management of Internationalisation Processes, Faculty of Economics, University of Firenze (a.a. 2010/2011 & 2009/2010)

Course in Applied Economics, 9 CFU, (Italian scientific field: SECS-P/06), Laurea in Economics, Faculty of Economics, University of Firenze (a.a. 2008/2009 & 2007/2008)

Conference organizations and other professional experiences

2014: Collaboration to the organization of the annual conference AISRE – Italian Association of Regional Science

2010-2015: Collaboration to the organization of the annual conference “Incontri di Artimino sullo Sviluppo Locale” – Artimino meetings on Local Development

2007: Collaboration to the organization of the X International conference EUropean Network on Industrial Policy (EUNIP), Prato, 14-16 September 2007

2002-2004: Collaboration with the Centro Studi Confindustria Toscana

2001-2002: Participation to the activity of the Comitato Nazionale per l’Emersione del Lavoro non Regolare (Italian National Committee for transforming undeclared work into regular employment)
